Helpful Hints!

Soft Sided Pencil Cases, rather than supply boxes, fit nicely in the student's desk, and do not break open when they hit the floor. 😊

Trapper Keepers – many of these organization units do not fit very well in student desks. You may want to wait to see if this is a supply that your child's teacher would like them to have.

Backpacks with wheels do not fit well, if at all, in student lockers. Please, do not purchase this type of backpack for your child. Thank you!
