

Memorial Monthly News

One Game...One Goal...One Team

Dear Memorial Families,

Well, we made it to the half way mark of this school year. With the second report card coming home on Friday, February 2, please take time to review your learning and behavior expectations with your child. We have much to accomplish with all our students in the next 4+ months and with your partnership, I know we can make great academic and behavior gains with each child. Thank you for understanding the importance of every day and making each day really matter!

Best always,

Jennifer Sheldon, Principal

Starting our day with a SMILE by being Safe and Responsible...

Each morning we work to start our students' day off with a smile. Please work with us to create a happy start to our students' day... Please follow the expectations when dropping off your child... Please pull into our parking lot and allow our adult safeties to help your child get out of the car or if you want to walk them up to school, please park in the lot and walk your child to their line outside, weather permitting. If we are lining up inside, then kiss them good-bye at the front door and we will see to it that child gets right to their classroom. In a constant effort to keep our school safe, we CAN NOT have adults entering the building anywhere BUT the front door. Please ALWAYS check in at the office before heading into our school. We appreciate your cooperation and partnership in education.

Important February Dates

March 1 SPRING PICTURES... SMILE!

Everywhere you go, leave a glitter trail of KINDNESS behind you.

Children are great imitators.

Give them something great to imitate!

Winter Concert was a HUGE Success

Mrs. Gabrion hosted her Winter Concerts at the end of January and the student performers delighted the audience with songs, playing instruments and BIG SMILES!

More Important News

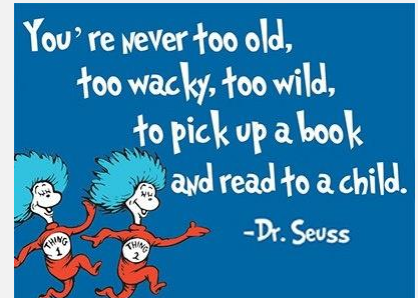

Thank you Mr. Grubbs for organizing our American Heart Association lanyard sale at Memorial. We raised over \$1,078.00 this year! KUDOS to all who donated to this important cause!

Mr. Grubb's and American Heart Association Rep.

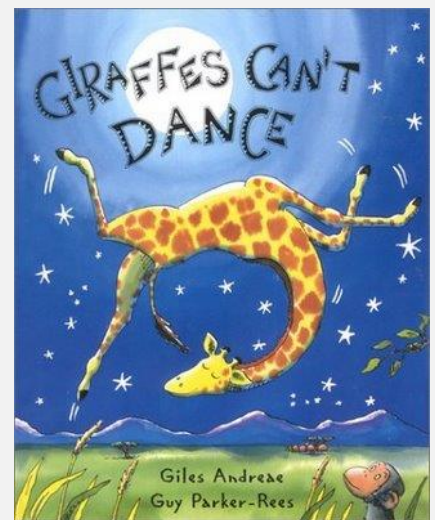

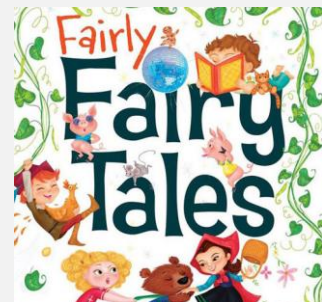

Just a thought...

Get ready for March is Reading Month

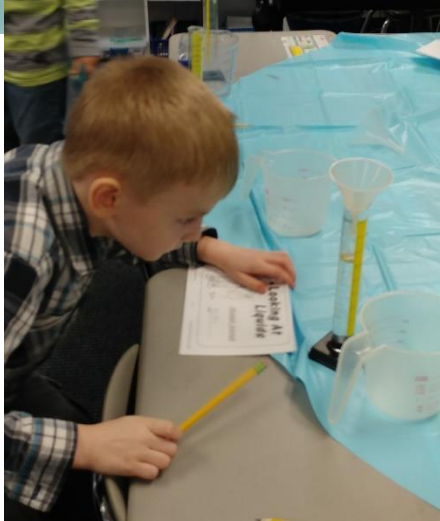

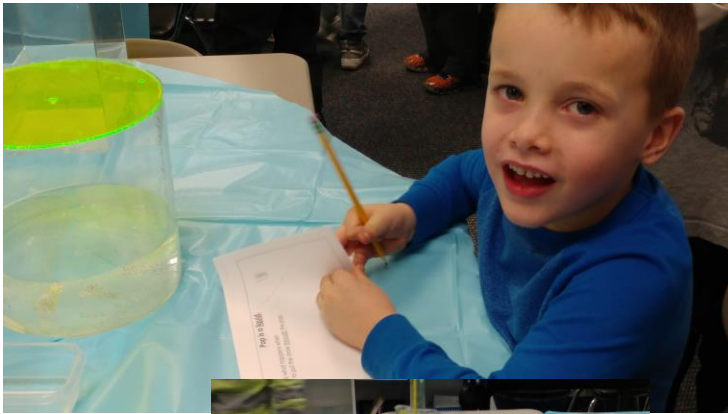

Reading every day to your child or listening to them read will make all the difference in the world to their academic success.

Here are two great books to check out:

Learning about Liquids in Mrs. Palko's First Grade

Learning about Force and Motion in Mrs. Capatina's Second Grade
